

MIAP ZEISS Workshop

ZEN Blue Microscopy Software – Imaging & Processing Made Easy

January 23 & 24, 2019

Lighthouse Core Facility, Universitätsklinikum Freiburg

Dear Sir or Madam,

You are cordially invited to the ZEISS Workshop
„ZEN Blue Microscopy Software – Imaging & Processing Made Easy“.

Software control of your instrumentation, image formation,
image display and analysis are crucial tools in modern microscopy.
ZEN Blue is a powerful tool to perform this tasks.

The workshop provides a very detailed training on every aspect
of ZEN Blue. Starting from the basics of ZEN Lite, enhanced
options and dimensions coming with more sophisticated set
ups up to challenges with multiplex acquisition of live samples
throughout proper analysis and quantification of your valuable
data sets.

Attending this workshop you can improve your know-how in
microscopic imaging applications and network with other ZEN users
for exchange and experiences.

We are looking forward welcoming you at the workshop!

Your ZEISS Microscopy Team

The Workshop will be held
in German and in English:
