

**A) Example of general acknowledgement of the LIC:**

We thank the staff of the Life Imaging Center (LIC) of the Albert-Ludwigs-University Freiburg for help with their microscopy resources, and the excellent support in image recording and analysis. The following instruments funded by DFG grant (Inst xxx) were used.

*When you want explicitly thank someone of the staff, just name the person(s) (alphabetically ordered) as: I. Bierschenk, S. Haxelmans, A. Naumann, R. Nitschke, R. Pohlmeier*

**B) Example of acknowledgement of the LIC for LIC macro usage:**

We thank the Life Imaging Center (LIC) of the Albert-Ludwigs-University Freiburg, in particular XXX for providing and teaching us the LIC macro for advanced ..... recording with the Zeiss ZEN software (<http://www.imaging.uni-freiburg.de/facilityLICInfrastructure.php>).

*Further explanations:*

*For .... fill in what features of the LIC macro you have used, if not directly named in the Methods of the paper. You can take the feature from the above website of the LIC.*

*For XXX fill in who helped you in the usage of the macro for your purposes.*

**Please be reminded, that the LIC also provides service for correcting before submission of your publications the Material and Methods section concerning the used imaging methods and equipment in the LIC and also looking over the microscopic images and their description in your figures and legends.**
