Please book computer for software usage

= installed
= not installed
= floating, limited number of licenses
= not in room 00.041 and only for Lightsheet-data analysis

² **Huygens:** The licenses are available at each workstation, please always close Huygens after finishing your application to release the licenses
Huygens Prof. floating license includes Object Stabilizer, Analyser, Stitching, Colocalization

³ **Imaris:** Imaris is a floating license, a limited number of licenses especially moduls are available, only check what you have booked
Coloc licenses only running on **LIC-Analysis 009**
Filament tracer licenses only running on **LIC-Analysis 007, 008 and 009**
book for usage

⁴ **Volocity:** Volocity is a floating license, a maximum of 2 licenses is available (will be not updated - end of maintainance)
