Overview images or the CCD camera should be used mostly, sitting side by side at the computer screen should be avoided, usage of the 2 monitors and the screen zoom function is recommended, allowing to keep the safety distances.**

In addition I have read and fully understood the rules, security practices and regulations for my work in the imaging facility (<https://miap.eu/miap-units/freiburg/life-imaging-center-lic>). I will abide by these rules to ensure my safety and that of everyone present. I will follow all written and oral instructions from the staff and ask questions if I do not understand an instruction or procedure.
